

Our Services

LAPPA's analysis is completely **independent and objective**, and, being affiliated to neither investment managers nor consultants there are no vested interests.

Core Service

The service includes:

- An annual publication, which provides a detailed and in-depth analysis of the aggregate results, allocation and changes that have occurred and trends that have been identified
- Participation within the Local Authority Peer Group aggregate
- Collection, extraction and checking of fund and portfolio data
- Fund data included in quarterly, annual and long term aggregations
- Annual comparative performance tables that place individual fund performance over the latest year and over the longer-term in context with the aggregate data
- Research articles covering topics of interest
- Annual analytics placing the fund performance, asset allocation and risk in the peer group context

We also offer:

- Sensitivity Analysis reporting for Annual Report and Accounts
- Core performance measurement
- Presentation of results and market overview
- Bespoke research and consultancy
